If so, give the details.

In making this application for a National Racing License, I, the undersigned, understand that an investigation may be conducted on my background and an investigative report may be prepared containing information obtained through personal interviews with third parties, such as family members, business associates, financial sources, friends, neighbors, or others with whom I am acquainted. This inquiry may include information as to my character and general reputation that may be relevant to the issuance of a National Racing License.

By submitting this application, I hereby (1) agree to abide by the applicable rules and regulations of the National Racing Compact, pari-mutuel regulatory agencies, the laws of the United States of America, Canada, state/provincial governments, municipalities and other subdivisions thereof; and (2) agree to abide by any provisions regarding search and seizure that may be contained in any of the above-mentioned laws, rules and regulations, and I consent and waive any right I have to object to the search, within the grounds of a racetrack or racing association, of any premises or vehicle which I may occupy or control or have the right to occupy or control and of my person, property and effects and the seizure of any article the possession or control of which may be forbidden.

I understand that participation in racing is a privilege, not a right, that any license issued pursuant to this application is subject to conditions precedent as set out in the Rules of Racing, and that my failure to comply therewith shall be grounds for immediate suspension or revocation of such license. By acceptance of said license, I agree to abide by the Rules of Racing and rulings or decisions of the Stewards in all jurisdictions, with the knowledge that rulings or decisions of the Stewards shall remain in force until reversed or modified by the authorized regulatory agency and may have an adverse effect on my National Racing License.

I also agree to abide by and obey the rules and regulations and conditions of the authorized regulatory agency in the jurisdictions in which I participate. I expressly agree to be subject to the subpoena powers of the authorized regulatory agency or a written request issued in lieu of a subpoena and to provide the agency with any and all information and documents which it may so request. This agreement shall extend to anything that relates to any matter that is the subject of any agency hearing or investigation.

I understand that by providing the information requested on the fingerprint card I have included with this application and designating the National Racing Compact (the "Compact") as an entity to which the Federal Bureau of Investigation ("FBI") is authorized to send the results of its criminal records check, I also am authorizing the racing commission, or its equivalent, in each state that is a member of the Compact to receive the results of that check. Furthermore, if I failed to indicate on the fingerprint card that the FBI is authorized to send the results of its criminal records check to each such state racing commission, or its equivalent, I hereby authorize the Compact, as my designee, to do so for me. I also understand that the Compact will keep my fingerprints taken in connection with this application on file for possible later use for such purposes as to make fingerprint submissions for each state in which I plan to race that elects to obtain a state criminal history record, renewal of my National Racing License or any disciplinary action that may be taken with regard to that license, and I hereby authorize the Compact to do so.

I hereby affirm that I am familiar with the conflict-of-interest rules that apply to my participation in pari-mutuel racing in the Compact member states, that my use of my license will not conflict with any such rules, and that I will not attempt to violate any such rules.

I hereby certify that, under the penalty of perjury, I have read the foregoing application and affirm that every statement contained therein is true and correctly set forth. I hereby agree that my license may be confiscated and suspended or revoked at any time for misstatements or omissions in the foregoing application.
